International students who request for airfare assistance to return home to their home country will be covered by the University under the following conditions:

- The student must make advance request through the Financial Aid Office a minimum of four weeks prior to their expected departure date.
- All travelers must make travel arrangements through the **BYUH Travel Office** for their fare to be covered by the University.
- If approved, the student will be given a letter to authorize payment of travel. Student must travel home on the soonest flight available within two weeks of last date of class attendance.
- Reimbursement for travel will not be made for tickets purchased without prior approval.
- Travel is for one-way from Hawaii to home country.

Please list the following information for you and your immediate family that will be returning with you.

ID#	Name of Traveler as appears On Passport	Gender	Relationship	Date of Birth	Age	Passport Type
