

# 2020–2021 Academic Year Verification Worksheet (Independent) BYU-Hawaii Financial Aid

**Independent**

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the BYU-Hawaii Financial Aid Office will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to the BYU-Hawaii Financial Aid Office. Our office may also ask for additional information. If you have questions about verification, contact the BYU-Hawaii Financial Aid Office as soon as possible so that your financial aid will not be delayed.
